REPORT OF THE LIBRARY TRUSTEES

Mrs. Jeanie Edgerly, librarian, retired January 1, 1970, after twenty years of faithful service in the Hampton Falls Library. During her tenure, the library has grown and improved to become a very valuable service to the community. The town appreciates her generous gift of time and devotion.

Many townspeople have given books to the library this past year. In the magazine field, the Grange donated a subscription to the National Geographic Society Magazine, and Mr. Dalton Boynton gave one of the U.S. News & World Report and also Christian Economics. The Radio Corporation of America has given a fine selection of records. Books are greatly appreciated, now that the Federal Aid to libraries has been reduced.

A donation from the Friends of the Library along with library funds supplied an addition to the filing cabinet. The landscaping has been furthered this year by the trustees leveling a load of loam donated by Eugene Heal. Insurance coverage on fixtures and furniture in the library was increased by $2,000.00.

All townspeople are invited to make full use of the town library. The library is open Wednesday and Saturday afternoons from 2:00 to 5:00 and on Tuesday evening from 7.00 to 9.00 P.M.

THE FRIENDS OF THE LIBRARY

The principal aim of the Friends of the Library is to ameliorate library facilities for the townspeople, and to assist the librarian in the repair and cataloging of books.

The Friends in the past year have purchased many books for the library and have been instrumental in the donation of books and subscriptions to the library.

The Friends donated a record rack, and half the sum of money nedeed toward the purchase of a filing cabinet.

Each year the Friends donate the time and materials to decorate the exterior of the library for the Christmas season.

In order to stimulate interest in the library, the Friends present a wealth of fine speakers on timely, informative and entertaining subjects.

In accordance with the school, the Friends sponsor an annual book review contest for the fifth and sixth grades, and a monthly story hour for the children between the ages of three and seven.

The Friends have become an integral part of all modern libraries, and all townspeople wishing to assist the Friends in attaining their goals are invited to join.

FIRE DEPARTMENT

To the people of Hampton Falls, first of all the firemen want to thank you for the new truck which we got in November and is now in service.

We have purchased a lot of new equipment for the newtruck; such as 2,000 feet of 2½ inch hose; 1,000 feet of 1½ inch hose, at a cost of $3,500.00; also two air packs at $789.00 and many new fittings.

We still have our work and drill on Tuesday nights, with the first Tuesday of each month being the regular meeting at 8:00 o'clock.

The bean suppers this past year were a big success. The Village Green Fair was tremendous, netting $2,000.00 to the department.

We have put a new tank on our 1958 Chevrolet tank truck, removing a 750-gal. tank and replacing it wtih a 1,200 gal. tank; and 200 feet of one-inch booster hose.

We, the officers and men, want to thank the Ladies Auxiliary for all the work they have done for the department.

WOMEN'S AUXILIARY OF THE VOLUNTEER FIRE DEPARTMENT

The Women's Auxiliary ended the year 1969 with their annual Christmas Party and Yankee Swap.

The members of the Auxiliary were successful in their efforts to financially assist the Volunteer Fire Department. We were pleased to present the department with $2,500.00.

The Village Green Fair held in June continues to be our biggest success and we also profit from the annual Firemen's Ball held in February and the Fire Warden's supper held in April. Additional projects have been card parties and calendar money cards.

We offer our sincere thanks to all members and townspeople who have given generously of their time, money and talents in making this a most successful year.

An invitation is extended to all women who wish to participate in this very useful service.

Meetings are held the first Monday of the month at 8:00 p.m.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my fourth annual report as superintendent of schools in the town of Hampton Falls. As in years past we still find ourselves in the midst of vast and sweeping changes in public school education. We are living in an era of public concern for quality education. We have always been concerned about education but there is an awareness, a sincere interest, a healthy curiosity to get to know why and how.

A good education is costly. Those of us who are taxpayers know this fact all too well especially the New Hampshire taxpayer. Local property taxes cannot be expected to continue to bear such heavy burdens. We must receive more financial assistance from the State if the job is to be done right. Another source of financial assistance to schools is the Federal Government. This source is entering on stage rather belatedly. In 1968-69 the Federal Government paid only 8.1 per cent of the cost of public elementary and secondary education. True, money is not the only answer to all of the challenges we face in education, but without it we can never expect to find out what the answer might be.

Many of you will recall the recent public school shut-downs due to lack of funds. This is a sad state of affairs when thousands of children are deprived of receiving their education.

The schools in this supervisory union have been experiencing an upward gain in enrollment which has necessitated the formation of several advisory committees whose responsibility it is to sudy school needs. This advisory committee works with school board

members and school administrators in projecting enrollments, inspecting present school facilities, gathering data on land acquisition, and reviewing school programs in this age of change. The work of such committees is tedious, time consuming, but most important. I would like to take this opportunity to publicly thank all of those citizens who unselfishly give of themselves so that school needs for the future might be realistically studied and brought out into the open.

On October first the superintendent's office moved from 86 High Street to its newly built quarters on Landing Road just opposite the front entrance of Winnacunnet Cooperatvie High School. Needless to say, this move was most necessary and we appreciate the new suite of offices. Our public open house was held and I feel that those who visited us were pleased with the building. To those who did not come to our open house, I extend a most cordial invitaiton to visit us at your convenience. The office is open from 8:00 A.M. until 5:00 P.M. daily, including those days when schools are not in session.

At the time this report is written we are in the midst of preparing nine budgets, eight school district budgets and one supervisory union budget. This is no simple task and takes many long hours on the part of your school board members and administrators.

In mid-November a public hearing on the preliminary supervisory union budget was held in North Hampton in compliance with a new legislative edict. There were approximately forty people present, twenty-two of whom were school board members. Eight others in attendance were school administrators. The complete supervisory union budget was aired, questions asked and answered.

Another new piece of legislation which has not been used in Supervisory Union #21 to date deals with the procedures necessary in getting voter approval of bond issues of $20,000 or more. Under the new law a public hearing is required, to be held at least fifteen days prior to the March annual school district meeting. Notice of this hearing must be posted at least fifteen days in advance. The amount of the bond issue as well as the warrant article must be fixed at the hearing by the governing body. When the polls open on the scheduled day in March all registered voters will be given the opportunity to vote on the bond issue. Each voter will be given a ballot with the specific article and amount proposed printed thereon. As usual, a two-thirds majority of all those voting is required in order for final pasasge.

The significant difference with this procedure as against the former law is that it does not limit the voting to just those who attend the March school district meeting. If the bond issue is defeated the whole procedure must be followed again.

The January, 1970, enrollment count at the Lincoln Akerman School shows a total of 160 pupils in attendance in grades 1 through 6.

I am indeed pleased with the programs offered at your school. There is a great variety of interesting studies being presented by a dedicated and conscientious staff headed up by Principal Sanborn. I note that your staff members are sincere in their desire to improve themselves professionally by taking courses offered by local colleges and universities. This involvement most certainly means a better well-rounded educational program for our children.

At this writing the Hampton School Board has been negotiating a more realistic figure to charge the

Hampton Falls School District for its seventh and eighth grade tuition students. The State figure as suggested has taken a huge jump over previous years and all of us must realize that actual school costs have risen sharply in recent years. I believe that a contractual arrangement is a sound approach for the future. Eventually there may well be some school district reorganization which might affect Union #21 generally; however, when this will come to pass is anyone's guess at the moment.

As in the past, I have prepared several statistics which follow my report.

It has been a rewarding year, a year filled with its anxious moments. I have been pleased that our staff of professionals has been looking into promising programs and practices and has been adapting these to fit local needs. In closing may I point out that the schools belong to you and urge that you visit them often.

Respectfully,

PAUL L. O'NEIL

A Proclamation

Be it known that this,
the 13th day of July 1969
is officially designated as

"Thayer Edgerly Day"

having served us Faithfully and Loyally
as Town Letter Carrier for 42 years
we do so Honor with a reception to be held
at the Town Hall on this day of
July 13, 1969, 4:00 P.M. to 6:00 P.M.

Ralph M. Farley
CHAIRMAN - BOARD OF SELECTMEN

"Thayer Edgerly Day" in Hampton Falls was called to order by the Moderator who read the Proclamation designating July 13, 1969 as a day to honor a retiring mail carrier after 42 years of service.

Mr. Ralph Farley, Chairman of the Board of Selectmen, was introduced as Master of Ceremonies, who introduced Mr. George Pond. Mr. Pond presented Thayer with the key to the Town.

Wesley Powell, former Governor of the State of New Hampshire, read letters of commendation from Ralph Farley, Chairman of the Selectmen; Russell Merrill, Jr., Postmaster; Russell Merrill, Sr., former Postmaster; Winston Blunt, Postmaster General of the United States with a certificate of service; James Cleveland and Louis Wyman, Representatives in Congress; Senators Norris Cotton and Thomas McIntyre; and Governor Walter Peterson.

Mr. Farley presented Thayer with a money tree, created by Mrs. Roger Barnes, donated by his many friends, also a framed caricature of himself showing his hobbies and many incidents in his life.

Mr. Farley introduced the Edgerly family, Jeanie, his wife, two daughters, Helen Carmichael and Roberta Kitchen, son-in-law, Dr. Douglas Carmichael and six grandchildren, Dair, Megan and Elsbeth Carmichael and Nathan, Jeanie and Deborah Kitchen.
